

An exciting range of workshops for teachers

The Nuffield
southampton

We provide a series of theatre workshops for *primary, secondary, further and higher education establishments*. The workshops are delivered by experienced professional practitioners and are designed to suit the needs of syllabus requirements.

We are also able to tailor make workshops to suit you. Our aim over all these workshops is to offer a positive experience that can easily be transferred to curriculum work. Please contact us on 023 8031 5500 ext 232 for more details.
